The Society, however, reserves the right to present or reject the Award even after the selection of the candidate without assigning any reason whatsoever, without being answerable to anyone. No legal or any other action can be taken against the Society. This applies to the jurisdiction of Delhi State. (K) To collect a most reasonable Delegate Fee from the Awardee, in order to raise the necessary funds. The Delegate Fee, however, is strictly voluntary and no Delegate is under any obligation to pay. (L) In case any information is lost, the Awardee can collect his Award at a later date from New Delhi Office.

**India International
Friendship Society**

INTRODUCTION

INDIA INTERNATIONAL FRIENDSHIP SOCIETY is a voluntary organisation established to forge greater unity and integrity among the people of Indian origin living anywhere in the world. The Society also aims to enhance India's broad relationship and forge greater friendship and cooperation with all the countries on the globe, irrespective of small or big, developed, developing or underdeveloped yet there is always a need for greater understanding and it is our endeavor to set a new rapport of closeness and real understanding among all people of the world. It is desired that all human beings should live together in peace, love and brotherhood. The Society has an essential role to play in fulfilling this objective by creating conditions for exchange of views among all the people, especially of Indian origin. Its aim is to create a sense of national and International friendship and understanding where it can have a programme to share with others.

AIMS & OBJECTIVES

The Society has also a programme of coordinating India's and N.R.I's efforts in creating joint ventures. For this purpose it has an Advisory Committee in which some talented and highly respected Indian experts in diverse fields, such as Economists, Engineering Politics, Services and some retired Generals are involved. Many a time the Society has invited N.R.I's from distant places to confer with their Indian counterparts to have a successful collaborative and fruitful discussions.

(A) To develop social and cultural cooperation between our progressive people and of all countries. (B) To honestly share and exchange important evolution between any two countries in culture, education, sport and others. (C) To celebrate festivals of each other and exchange greetings on such occasions to make friendship more deeper and practical. (D) To arrange visits of different delegations to friendly countries to meet people in all fields and vocations, including science technology

and education. (E) To forge joint ventures in all fields. (F) To arrange meetings with Government Ministries to promote Society's aims and objectives. (G) To act in the best interests of the Government, the country and the members of the Society. (H) To enrol members throughout the world among people of Indian origin. Recipients of honour will be the Members of the Society. (I) To establish and develop the International friendship and fraternity and foster the bondage of humanity and service by different schemes and programmes. (J) To honour its members with "Award and Certificate of Excellence" for outstanding leadership in the field, such as, education, medical services, social services, engineering, architecture and other exceptional performance of high order.
